

Sprint 3 Report

Pinned

Nov 19, 2017

Actions to Stop Doing

- Stop doing large merges on the final day of the sprint
- Stop creating tasks with dependencies on other tasks

Actions to Start Doing

- Allocating some time to showing the rest of the team a task or user story that is "done"

Actions to Keep Doing

- Continue meeting regularly for scrum meetings
- Continue peer programming
- Continue communicating often about challenges and decisions

Work Completed/ Not Completed

- As a user who maintains many social networking accounts, I want to be able to login with Google or Facebook, so that when I login all my details will be stored for future logins **(completed)**
- As a user who values a quality experience, I want to be able to rate users according to reliability, experience, etc. **(incomplete)**
- As a user I want to be able to make changes to my profile, save them, and search for other users easily **(completed)**
- As a user who only wants to view relevant events, I don't want to see finished events on the map **(completed)**
